

本系基礎、核心必修課程

本系群組必修課程

本系選修課程

研究相關學程、領域專長

( 詳見 物理學系課程地圖 )

Basic and core compulsory courses of this department

Required courses for this department group

Elective courses in this department

Research related courses and field expertise

(See the Department of Physics course map for details)

大學畢業

university graduate

研究所畢業

Graduated from graduate school

升學：物理、電資、天文相關研究所

Further studies: Physics, electricity, and astronomy-related research institutes

就業：公職、教職、科技業、大學、研究中心、自行創業

Employment: public office, teaching position, technology industry, universities, research centers, self-employment
